

In addition to our excellent selection of varietals available on our regular wine list, Waterhouse Restaurant is pleased to offer our Reserve Wine List. These unique wines have been hand selected in limited quantities and feature older vintages not available on most restaurant wine lists.

Due to their rarity, these specialty wines from around the world are limited in quantity. Should your original selection not be available the staff would be able to recommend an excellent alternative.

We would be happy to reserve a specific bottle of wine for you or have it opened and decanted before your arrival.

A credit card number is required for a bottle of wine to be opened and decanted.
